Dear runner!

We invite you to Austria's greatest scenic race experience which will be held traditionally on the third weekend of October, 2022. With more than 6,000 entries, we saw big races in the past years! Stunning scenic sections on delightful paths along the shoreline – between water and rock faces – offering everything a runner's heart desires, and with the six competitions, the Salzkammergut Marathon (42.195k), the 27k Classic, the 10k Shoreline Race, the 5.2k Panorama Race, the Junior-Marathon and Walk the Lake – there is an appropriate distance for everyone. **Please note: All competitors have to follow the CoVid-19 rules. Thank you!**

The ultimate Running experience

After its successful debut in 2011, the special challenge of the Salzkammergut Marathon is in the programme again. After starting in the Imperial town of Bad Ischl and following a 15k lead in, it follows the original circular course of the 27k Classic Lake Wolfgangsee – with the "invigorating" Falkenstein (220 m difference in altitude). The participants were unanimous – "A cracking, first class marathon".

The Classic is the 27k race of course, which took place for the first time 50 years ago (on the 26th October, 1972). With up to 2,000 entrants, it is the competition with the greatest number of participants, but the 10k Shoreline Race and the 5.2k Panorama Race are getting more and more popular – not forgetting the 1. Walk the Lake (27k) with start and finish in St. Gilgen – and the Junior-Marathon, that take place on Saturday (15th October, 2022) on the picturesque lake promenade in Strobl, of course!

A medal for everyone that finishes

The finishing line of all four Sunday competitions is situated in the heart of St. Wolfgang – about 100 m away from the the White Horse Inn. All those who finish, over whatever distance, receive an artistically designed medal. The Lake Wolfgangsee circuit is among the most beautiful running challenges on the European running scene. Why don't you simply enter and enjoy …

More than a race …

The „Int. Lake Wolfgangsee Race – Salzkammergut Marathon" has stunned its contestants repeatedly for half a century. What started on October 26th 1972 with only 13 contestants, is now one of Europe's most popular races offering not only an exceptional experience but also a magnificent scenery. The themes "myth and passion" and "legendary and intoxicating" symbolizes deep personal experiences, memories, and anecdotes for a hundred thousand participants. For the 50th anniversary, a book has just been written in which many enthusiastic runners will be able to find themselves. Dive into 50 years of the Lake Wolfgangsee Race, a personal travel through time on 200 pages with many exciting reports, hundreds of pictures, results, statistics, figures, and press tickers of every year. In short – a book documenting 50 years of running history. On the weekend of the Lake Wolfgangsee Race the book is to be withdrawn at Pacher-Haus St. Wolfgang. The current appendix concerning the 50th Int. Lake Wolfgangsee Race – Salzkammergut Marathon 2022 will be sent to you a few weeks later. Price: € 19,–

Runner transport by bus (42,195k):

Option 1: We recommend, you leave your car in Bad Ischl and return after the marathon with the bus from St. Wolfgang.
Option 2: Marathon runners can use the bus service between the Michael Pacher-Haus in St. Wolfgang and the Marathon start in Bad Ischl before or after the race. This single trip is included in your registration fee. The voucher for the bus journey between St. Wolfgang and Bad Ischl and a timetable can be found in your starting package.
Please note: The last bus is waiting for the visitors of the Salzkammergut Marathon winners ceremony.

Runner transport by boat (5.2k and 10k):

In cooperation with the Lake Wolfgangsee Boat Company, a special service is offered on the 16th October, 2022 for the 50th International Lake Wolfgangsee Race (5.2 k Panorama Race- and 10 k Shoreline Race). All Panorama Race and Shoreline Race participants receive a voucher (in your starter-bag) for a picturesque and relaxing boat trip to Strobl (5.2 k starting place) or to Gschwendt (10 k starting place). Those accompanying runners can also use the boat service of course, (as far as capacity allows) at the official tarif.

• Runners can use the voucher found in the starting package either before the race (if you park in St. Wolfgang) or after the race (if you park free-of-charge in the starting places of Strobl oder Gschwendt).

Best variant 1: Because parking in St. Wolfgang on race day is always extremely scarce, we advise those runners participating in the 5.2k and 10k Races, to leave their vehicles at the free-of-charge car parks in Strobl or Gschwendt, compete in the race and then, after the event, return to the car park using the free boat trip.

There are two places to board boats in St. Wolfgang before or after the races – the Schafberg cog railway jetty (Schiffsanlegestelle Schafbergbahn) or at the jetty called „Markt".

Variant 2: Use one of the first three boats to give yourself enough time to prepare unhurriedly for your 5.2k or 10k Race.

Before the race from St. Wolfgang to Strobl (5.2 k Starting place) und Gschwendt (10 k Starting place):

Station / Boat	1	2	3	4	5
St. Wolfgang Schafbergbahn cog railway jetty	8.25 a.m.	8.50 a.m.	9.05 a.m.	9.22 a.m.	10.00 a.m.
St. Wolfgang Markt (27k Starting place and Finish of all races)	|	9.00 a.m.	8.55 a.m.	9.32 a.m.	09.50 a.m.
Gschwendt (10k Starting place)	|	9.10 a.m.	9.15 a.m.	9.45 a.m.	10.10 a.m.
Strobl (5.2k Starting place)	8.40 a.m.	9.25 a.m.	9.30 a.m.	10.00 a.m.	10.25 a.m.

Please note: • The first boat (at 8.25 a.m.) is only for 5.2k-runners and it doesn´t stop in St. Wolfgang Markt and Gschwendt.
• Furthermore, boat 5 at 9.50 a.m. is only for very late arrivals for the 5.2 and 10k Race – **no garment bag service!**

If you choose to collect your starting package for the 5.2k or 10k Race on 16th October, 2022 in Strobl or Gschwendt and/or you want to make a last-minute entry (only, if the race ist not booked out), please note the following time schedule:
Sunday, 8.00–10.00 a.m.: 5.2k Number collection and 5.2k last-minute entries in the Tourist Office in Strobl
No 5.2k Number collection or 5.2k last-minute entries in St. Wolfgang on Sunday!
Sunday, 7.30–9.30 a.m.: 10k Number collection and 10k last-minute entries at the start in Gschwendt.
No 10k Number collection or 10k last-minute entries in St. Wolfgang on Sunday!

Tip 3: We have organised the schedule so you have ample time to recuperate after the race and attend your respective award ceremony (2 p.m.: 5.2k / 2.45 p.m.: 10k / 3.30 p.m.: Team-Marathon / 3.45 p.m.: 27k / 4.45 p.m.: 42.195k).

+ After the race on 16th October, 2022, boats will sail from St. Wolfgang Markt jetty to Gschwendt and Strobl.
Times – 11.50 a.m. / 12.35 p.m. / 12.50 p.m. / 1.35 p.m. / 1.50 p.m. / 2.50 p.m. / 3.50 p.m. / 4.50 p.m. / 5.50 p.m.

+ You can also board the same boats for the trip to Gschwendt and Strobl after the Lake Wolfgangsee Race and/or the award ceremonies at the Schafbergbahnhof (Schafberg cog railway boat jetty) earlier at 11.37 a.m. / 12.25 p.m. / 12.37 p.m. / 1.25 p.m. / 1.37 p.m. / 2.37 p.m. / 3.37 p.m. / 4.37 p.m. / 5.37 p.m.

Spectator transport

The Lake Wolfgangsee ferry boat service is also an excellent method of transport for spectators and those accompanying runners. All key areas of the races can be comfortably reached by boat – whether you want to follow the race in Ried, Fürberg, St. Gilgen Gschwendt, Strobl or in St. Wolfgang!
Further details on all boat timetables (for runners and spectators): www.wolfgangseeelauf.at and www.wolfgangseeschifffahrt.at

Present someone with fitness!

Are you looking for a suitable present? No problem! We can send you a starting voucher for the competition of your choice. With its own registration code, participation is straightforward – a simple telephone call to +43(0)6138 / 80 03 is enough!

Meet and greet – "Griaß Eich!"

Just as the racers on Lake Wolfgangsee are reinvigorated, our young team will bring in a breath of fresh air with their new ideas. On the evening before the race they are putting on a welcome pasta party in the Michael-Pacher-Haus and are actively involved in the kitchen. On Saturday from 6 p.m. to 8.30 p.m., race participants can get a spaghetti bolognese with the voucher contained in their start package, subject to availability. The 50th International Lake Wolfgangsee Race – Salzkammergut Marathon 2022 will begin with live music; pictures from the past 49 races; timely tips and information concerning the race weekend and awards for runners celebrating an "anniversary" race.

Six races – one legendary atmosphere

Salzkammergut Marathon

A scenic Marathon to enjoy! After the great success of the Salzkammergut Marathon from 2011–2021, this unique challenge over the classic 42.195k distance is in the Lake Wolfgangsee race programme again. A special marathon, and scenic experience, awaits all entrants. The Marathon starts in the centre of the Imperial town of Bad Ischl (European culture capital 2024), in front of the ”Trinkhalle” building.

The course leads through Pfandl, Wirling (refreshment point) to the Bürglstein guesthouse and then joins the original course of the 27k Classic before continuing on through St. Wolfgang (refreshment point). Between kms 18 and 21 the special challenge of the Falkenstein cliff awaits, over which the runners climb to 220m before coming back down again. Stunning scenic sections on delightful paths along the shoreline, between water and rock faces, offer everything the runner’s heart desires and, after passing through St. Gilgen, Gschwendt and Strobl, the Marathon heads towards the finishing line in St. Wolfgang. **Limit: 400 participants**

The participants were unanimous – „A cracking, first class marathon.”

Please note: During the first part of the marathon (until the Bürglstein guesthouse), the course is only partly closed to other road users. Therefore the highway code is to be followed. If the highway code is not adhered to, the race organiser undertakes no responsibility for any accidents! Race marshals will be placed at important points.

27k Classic Race

Since its debut, 50 years ago on the 26th October, 1972, the Lake Wolfgangsee Race has counted as one of the most scenic and most loved races in Europe. More than 75,000 runners have taken part in this special race which connects the provinces of Upper Austria and Salzburg. With its beautiful scenic sections, along the shore between the water and rock faces, and its delightful pathways, this race offers everything the runner's heart desires. The 27k Classic Race is the largest competition of the whole event.

For many runners, the 27k long Lake Wolfgangsee Race constitutes the ultimate challenge – almost comparable to a Marathon. Although "only" measuring 64 % of the classic Marathon distance of 42.195k, the "invigorating" Falkenstein, (a 220m-high "hill" between 3 and 6k) certainly contributes to this demanding race and is the special challenge that makes the Lake Wolfgangsee Race unique. The goal of making it once around Lake Wolfgangsee has a special appeal to thousands of runners. Top-class runners take less than 90 minutes. Running enthusiasts and those who run as a hobby take between two and four hours. At the finishing line in St. Wolfgang, just 100m away from the "Weissen Rössl" (White Horse Inn), everyone who accomplishes this challenge is a winner and, for most people, the artistically designed 27k Finisher's medal is particularly special!

On the 16th October, 2022, Austria's greatest scenic race experience takes place for the 50th time. Once again each participant is in for a real running treat as autumn's golden hues settle over Lake Wolfgangsee elevating this special sporting experience to a natural wonder.

The race around Lake Wolfgangsee is, of course, attractive athletically but it also has cultural appeal. When running on the oldest pilgrimage route in Europe, various pre-christian places of worship can be seen on the ascent to the Falkenstein church. On the top of the Falkenstein mountain there was once a Celtic place of ritual and sacrifice where, in 976 AD St. Wolfgang, the man of legend and founder of the town, lived as a recluse. To succeed in running once around Lake Wolfgangsee is therefore something very special. **Limit: 2,500 registrations**

10k Shoreline Race

If there were such a thing as a classic distance for an amateur “Enthusiasts race”, the ideal distance favoured by millions of runners worldwide, would be 10k. Since 2003, this distance has been included in the International Lake Wolfgangsee race programme as the „10k Shoreline Race”.

The start of the 10k Shoreline Race is located at the Schiffsstation (boat jetty) in Gschwendt in Abersee – just under a hundred metres away as the crow flies from the 27k start in St. Wolfgang (admittedly on the opposite shore!). The start of the Shoreline Race takes place on the 16th October, 2022 at 10.34 a.m (group 1), 10.38 a.m. (group 2) and 10.42 a.m. (group 3) and 10.46 a.m. (group 4). On the way to the finishing line the runner passes through a wonderful area of natural beauty which is, in the main, on flat terrain along the shoreline of Lake Wolfgangsee. At 4.5k, the run passes through the spectator-lined streets of Strobl before tackling one or two light ascents on the last kilometres into St. Wolfgang.

On the finishing line in St. Wolfgang everyone, whether first or last, is enthusiastically encouraged by the moderator Mr. Hans Wieser and the many spectators. Of course, all finishers receive the artistically designed Shoreline Race medal.
Limit: 2,500 registrations

5.2k Panorama Race

At 5.2k, the Lake Wolfgangsee Panorama Race is the ideal competition for beginners, or a fitting event for all, who wish to enjoy the special atmosphere the Lake Wolfgangsee race offers, but who prefer to run a shorter distance. The start of the Panorama Race takes place on the 16th October, 2022 at 10.30 a.m (group 1), 10.34 a.m. (group 2) and 10.38 a.m. (group 3) from the Dorfplatz (Village Square) in the centre of the Salzburg parish of Strobl at the eastern end of Lake Wolfgangsee.

Especially scenic just after the start, is a delightfully picturesque and lightly rolling section called the Bürglstein-Promenade, on which the border into Upper Austria is crossed. Whilst on this picture-book section, the race passes over a wooden walkway only two meters above the turquoise waters of Lake Wolfgangsee, with the striking rock formation known as the Bürglstein on your right and Lake Wolfgangsee stretching out into the distance to your left. Then, undulating terrain follows as the race progresses towards the finishing line in St. Wolfgang.

In the programme since 2005, this event, the 5.2k long Panorama Race, is enjoyed mainly on a personal level, because of its scenic beauty – with any thoughts of competition seemingly less important! **Limit: 1,200 registrations**

Junior-Marathon

As a prelude to the 50th International Lake Wolfgangsee Race", on Saturday 15th October, 2022 from 1.30 p.m. the juniors are on their starting blocks once again this year – on the picturesque Lake-Promenade in the centre of Strobl. As the slogan „Running is Fun" suggests, it's not the performance that counts, it's the enjoyment. Participants in this age group (2009 and younger i. e. maximum 13 years old) run 200–1,200m.

We invite families, kindergartens and schools to this relaxed test of talent! Every participant that reaches the finishing line receives a lovely souvenir medal and an immediate prize. For all participants (no matter how fast) there will be a raffle for some great prizes – the main one being a mountain bike.

The collection of numbers and late registration are both possible from 11.30 a.m. up to 45 minutes before the respective start in the Tourism office in Strobl. Each age group from U5 to U14 will be individually classified (females and males)! The first three of each class will win one of 60 trophies! Each participant can download and print a personal certificate via the results list on the website www.wolfgangseelauf.at

2022 again: The three biggest participating groups will win a trophy.

Walk the Lake

This year, for the first time, the "Walk the Lake" competition marks the start of the 50th Lake Wolfgangsee Race. By doing so, we go back to the event's roots – the Lake Wolfgangsee Race originates from the IVV-Volkswandertagen (mass hiking tours). For the 27k "Walk the Lake", with its start and finish at Mozartplatz in St. Gilgen, the entry hurdle is set very low purposely – timing is completely trivial. Although time will be kept by chips, there will neither be a rating nor refreshment points. Every finisher will receive a medal and a personalized certificate to download. An alphabetical ranking can be downloaded as well. The organizers intend to specifically approach health-conscious contestants, whose main goal is to enjoy themselves while moving their body and soaking up the wonderful scenery of the Salzkammergut. Organizer Franz Sperrer: "The (Nordic) walker start on Saturday at 9 a.m. at Mozartplatz in St. Gilgen to walk around the lake. For lunch or a quick refreshment, we suggest stopping at local restaurants or cafes along the way. One should enjoy the scenery and nature surrounding the Lake Wolfgang and return to St. Gilgen relaxed and proud." **Limit: 500 registrations**

Special scores

• Team-Marathon

Threesome-Team Competition for families, friends, firms, institutions and associations. In 2009, through the adding together of three course distances, (5.2 + 10 + 27k = 42.2k) a new and exciting competition was created. Often called ”the speedy three”, this race is run over the total Marathon distance of 42.2k. When run in this manner, the Marathon, acknowledged as the most prestigious race of all long-distance challenges, is a really special experience, even for Lake Wolfgangsee race regulars. Your additional registration for the Team-Marathon is a special service provided by the promoter, and therefore free of charge. If you wish to take part in the Lake Wolfgangsee Team-Marathon as a threesome, you can use your individual performance (5.2, 10 or 27k) towards a combined Marathon team time.

- Three specified entrants form a Team, one entry for each of the three races, together equalling the classic Marathon distance.
- The total of the three single times adds up to your Marathon Team time.
- Three classes are invited (women, men, mixed; without age classification).
- Each team member of the top 3 Teams (women, men, mixed) receives a Lake Wolfgangsee Team Marathon Glass trophy.
- The participants of the Team-Marathon will also, of course, be ranked in their selected race and, if applicable, in the Salzkammergut and Lake Wolfgangsee-Trophies within the 27k Classic Race too.
- The additional registration for the threesome Team-Marathon is only valid when the following points are observed:
  + Common Team name.
  + All three participants (5.2 + 10 + 27k) have to click “yes” for the Team Marathon, when registering.

• Salzkammergut trophies (27k)

Those eligible are people who have their main residence in a parish within the tourist region of the Salzkammergut (Upper Austria, Salzburg, Styria) or who are registered with a running association in places with the Postcodes.
