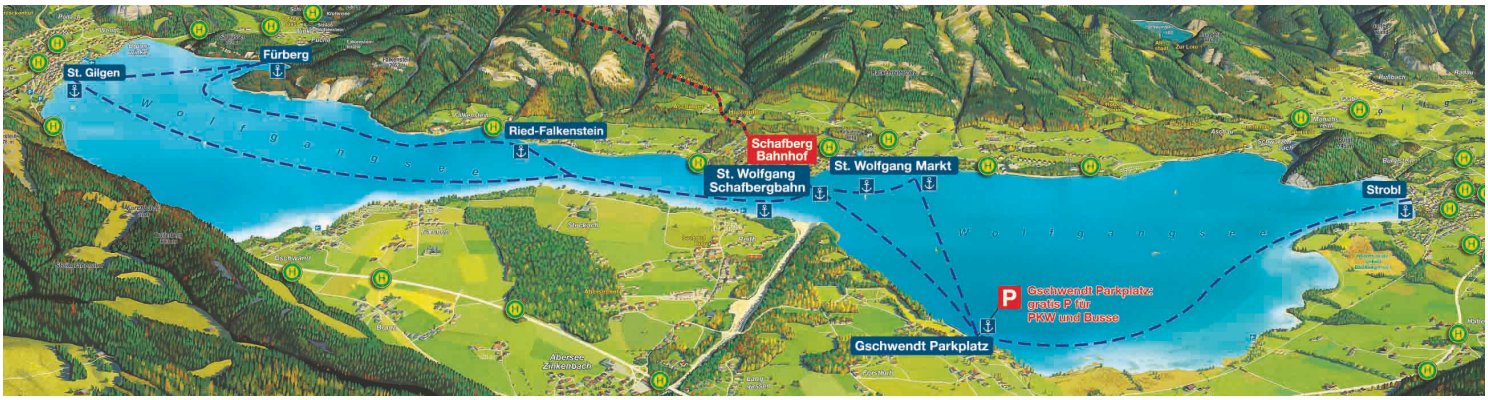
I. Lake Wolfgangsee Service for the 5.2- and 10k-runners (only at 15th October, 2023)
With the Lake Wolfgangsee Boat Service to the starts in Strobl and Gschwendt

Wolfgangsee, 15th October, 2023

Dear Runner,

in cooperation with the Lake Wolfgangsee Boat Company, a special service is offered on the 15th October, 2023 for the 51st International Lake Wolfgangsee Race (5.2k Panorama Race- and 10k Shoreline Race). All Panorama Race and Shoreline Race participants receive a voucher (in your starter-bag) for a picturesque and relaxing boat trip to Strobl (5.2k starting place) or to Gschwendt (10k starting place). Those accompanying runners can also use the boat service of course, (as far as capacity allows) at the official tarif.

• Runners can use the voucher found in the starting package either after the race (if you park free-of-charge in the starting places of Strobl oder Gschwendt) or before the race (if you park in St. Wolfgang / not for free).



Tip 1: Because parking in St. Wolfgang on race day is always extremely scarce, we advise those runners participating in the 5.2k and 10k races, to leave their vehicles at the free-of-charge car parks in Strobl or Gschwendt, compete in the race and then, after the event, return to the car park using the free boat trip.

There are two places to board boats in St. Wolfgang before or after the races – the Schafberg cog railway jetty (Schiffsanlegestelle Schafbergbahn) or at the jetty called „Markt". **Special service2023:** Two extra boats (12.25/12.35 and 13.25/13.35) will bring you back to your starting place in Strobl or Gschwendt.

Tip 2: Use one of the first three boats to give yourself enough time to prepare unhurriedly for your 5.2k or 10k race.

Before the race from St. Wolfgang to Strobl (5.2k Starting place) und Gschwendt (10k Starting place):

Station / Boat	1	2	3	4	5

- The first boat (at 8.25 a.m.) is only for 5.2k-runners and it doesn´t stop in St. Wolfgang Markt and Gschwendt.
- Furthermore, boat 5 is only for very late arrivals. Boat 5 reaches Gschwendt and Strobl **(no garment bag service!)** very tight.

II. Lake Wolfgangsee Race Service for those accompanying runners
This ist the best way to support your runner (only at 15th October, 2023)

On the 15th October, 2023, we have especially adapted the timetable for those accompanying the runners and general spectators too: you can, for example, sail at 10.40 a.m. (10 minutes after the first start) from the 5.2k start in Strobl and at 10.50 a.m. (16 minutes after the first start) from the 10k start in Gschwendt directly to St. Wolfgang. Those accompanying runners can thus bring the runner's belongings to St. Wolfgang personally and hand them straight back at the finishing line!

Please note: Runners without accompaniment can, of course, use the free-of-charge clothing transport service provided by the event organisers (only with the provided, numbered plastic clothing-bags – no sports bags please). These clothing bags are to be handed in from 9.30 a.m. by 10.15 a.m. at the latest in the starting areas of Strobl and Gschwendt.
