St. Wolfgang, October, 2020

Dear guests,

on Sunday, 18th October, the 49th International Race Around Lake Wolfgangsee will be getting underway. This classic Austrian race, first held in 1972, starts at 10.30am – in St. Wolfgang (27k) and Strobl (5.2k) and at 10.34am in Gschwendt (10k) The route leads around Lake Wolfgangsee via St. Gilgen, Gschwendt and Strobl.

As well as this, at 9.15 a.m., the starting pistol will signal the start of the 10th Salzkammergut Marathon (42.195k) in Bad Ischl. The organisers expect about 6,000 participants in total from 50 nations.

Because we are also expecting thousands of people to accompany the participants, we ask your understanding for the traffic disruption that will inevitably occur in all locations on the 18th October (especially in St. Wolfgang, St. Gilgen, Strobl and Bad Ischl); and for any possible diversions or hold-ups. We also ask that you follow the directions of the police, the fire brigades and track marshals.

For St. Wolfgang, the following traffic measures will be in force:

- The main village road will be closed on Sunday from 7.00am–4.00pm (inward or outward travel only possible outside these times).

- One lane of the public road to Pfandl will be closed from 9.10 a.m. to 11.00 a.m..
- **Please note:** For the second time 10k runners are going to run on the one lane closed L 546, because of safety reasons. The L 546 is going to be closed from 10.45 a.m.–12.30 p.m. from 7.2–9.5k (5.2 entrance near by the soccer field in Schwarzenbach up to the tourism office St. Wolfgang). Traffic towards St. Wolfgang isn't going to be restricted. Traffic towards Bad Ischl will be redirected from the tourism office St. Wolfgang via Aschau towards junction Schwarzenbach within this period. Police will be directing buses on St. Wolfgang Landesstraße.
- If at all possible on Sunday 18th October, please avoid using your motor vehicle altogether!
- Better to encourage the racers from all over the world along the roadside, thus contributing to the success of this unique international sporting event.
- **Tip:** You can cheer on the runners repeatedly in different places along the route by using the Lake Wolfgangsee boats. Boarding the boats is possible at all Lake Wolfgangsee landing stages. The special "Race-day boat timetable" for the 18th October, 2020 will help.
- If possible, please keep off all foot and cycle paths on the route around the lake on 18th October between 10.00 a.m. and 4 p.m.. Thousands of runners say, "THANK YOU" in advance!
